

OPERATION: RESTORE

Volunteer Waiver & Liability Acknowledgment

NOTE: This is a starting template, not legal advice. Liability waiver requirements vary by state. Before using this with real volunteers, have a local attorney (or a free legal aid clinic) review it — especially once you're operating under a church/ministry umbrella or hold your own 501(c)(3).

I, the undersigned, am volunteering my time and labor with Operation: Restore on a project taking place on the date below. I understand and agree to the following:

1. Voluntary Participation — My participation is voluntary and unpaid. I am not an employee of Operation: Restore.
2. Assumption of Risk — I understand that manual labor, home repair, and construction-related activities carry inherent risks of injury, and I voluntarily assume those risks.
3. Release of Liability — To the fullest extent permitted by law, I release Operation: Restore, its organizers, and the property owner from liability for any injury, loss, or damage arising from my participation, except in cases of gross negligence or intentional misconduct.
4. Own Equipment — If I bring my own tools or equipment, I am responsible for their safe use and condition.
5. Medical Care — I authorize Operation: Restore organizers to seek emergency medical care on my behalf if I am unable to consent and it is reasonably necessary.
6. Photo Consent — I understand photos may be taken of the project and volunteers for Operation: Restore's use, unless I state otherwise below.

☐ I do NOT consent to photos of myself being used

Volunteer Signature: _____ Date: _____

Printed Name: _____ Emergency Contact & Phone: _____

If Volunteer Is a Minor — Parent/Guardian Signature: _____
